UNIVERSITY OF WISCONSIN SYSTEM

# UW System's Strategic Framework to Advantage Wisconsin Core Strategies

## Prepare Students

Ensure that students are prepared with the integrative learning skills, multicultural competencies, and practical knowledge needed to succeed in and contribute to a rapidly changing, increasingly global society.

## Enabling Strategies

**Resources**
Balance, diversify, and grow the university's financial resources and facilities while developing its human talent.

**Operational Excellence**
Advance operational excellence by becoming more flexible, responsive, and cost efficient.

**Collaborations**
Further leverage UW System's strengths and impact through collaborations among the campuses and with other Wisconsin partners.

## Growth Agenda Goals

| | |
|---|---|
| **People** | **More Graduates**<br>Increase the number of Wisconsin graduates and expand educational opportunities through improving access and increasing retention and graduation rates. |
| **Jobs** | **Well-Paying Jobs**<br>Increase the creation of well-paying jobs by expanding the university research enterprise while linking academic programs to entrepreneurship and business development. |
| **Communities** | **Stronger Communities**<br>In partnership with communities, address Wisconsin's greatest challenges and priorities through intensified engagement, research, and learning. |
